

China Customs statistical report

Price and Options explain

Basic Price: \$100 per HS code, include lasted 12 month data

Note:

- 1) If there is no customized requirement description, the default China Customs statistical report is the total import and export value of the most recent 12 months (listed by month) with all countries;
- 2) If you need customized China Customs statistical reports, please tell us your requirements, and we will quote you according to your customized requirements. You can find commonly Customized Type on this 'China Customs statistical reports sample '.
- 3) The latest month of customs statistics is not the current month, it is the previous 1 month of the current month. China Customs generally releases statistics data for the previous month after the 25th of each month;

1. Period of months:

- 1) The default China Customs statistical report is the lasted 12 months data. If more historical data is needed, the additional fee is \$10 per month;
- 2) If you need China Customs statistics data for the future months, we will send it to your email ASAP after the latest customs data is released, the service fee is \$20 per month, The data format is MS Excel sheet;

2. HS code:

- 1) HS code has 4 options: 2 digits, 4 digits, 6 digits, and 8 digits , Only 8 digits HS code can provides quantity and unit price data, other digits HS code only have USD amount data.
- 2) According to the rules of **World Customs Organization** HARMONIZED SYSTEM, only the first 6 digits HS codes of all countries are consistent, and the latter digits are regulated by the customs of each country. Therefore, China's 8-digit HS CODE is inconsistent with other countries. Please click the below link to verify the China 8-digit HS CODE is match your country's HTS code:
www.transcustoms.com/Hscore/HScore_search.asp

3. Trade Direction:

There are 3 options: Import data, Export data, Total import & export data;

If you need import data and export data separately, you need to pay more 50% fee;

4. Export/Import Country:

The default price is for all countries, or one designated country of Origin/Destination;

If need data for multiple countries of Origin/Destination, need add 50% fee for each additional country;

5. Payment Method:

Paypal ID: info@transcustom.com

Or make the payment on our website: www.transcustom.com/contact/payment.asp

This link can accept credit or debit card payment, even you don't have PAYPAL account
